RESPONSE TO SPECIES RESTRICTION

I. Introductory Comments

The present paper is being submitted in response to the Species Restriction - Office Action mailed August 5, 2005.

No fees, including extension of time fees, are believed necessary for consideration of the present paper. However, if any fees, including extension of time fees are necessary, the extension of time is hereby requested, and the Commissioner is hereby authorized to charge any fees, including those for the extension of time, to Haynes and Boone, LLP's Deposit Account No. 08-1394.

Election of Species is on page 2 of this paper.

Listing of Claims begins on page 3 of this paper.

Remarks/Arguments begin on page 8 of this paper.

II. Election

In the Office Action mailed August 5, 2005, the Examiner alleges that the application contains claims directed to the following species:

Species I: Fig. 2 and paragraphs 0029-0033
Species II: Fig. 3 and paragraphs 0034-0038
Species III: Fig. 4 and paragraphs 0039-0040
Species IV: Fig. 5 and paragraphs 0041-0042

The Applicant respectfully traverses this election because each of the figures in the above-described species can be used to support any of claims 17-38.

To be responsive to the Examiner's requirement, Applicants elect Species I, corresponding to Fig. 2 and paragraphs 0029-033. According to the examiner, Claim 17 is generic, and thus directed to all four species. Claim 18-38 are further directed to Species I.
